CLUBSOLARIS
allcare all inclusive

According to the CDC announcement, all air passengers returning to the United States will be required to get a viral test.

How to get your COVID-19 test while visiting Club Solaris

COVID-19 ANTIGEN FIA TEST.

Schedule for your appointment. In cabo dial 0 from your accommodation, in Cancun schedule at your check in. The test will be administered on our resorts at no cost for up to 2 persons per room, with a 5 nights minimum stay, if your stay is 4 nights or less, the cost is $15 USD per test, the same rate applies for each extra person.

All Antigen Tests will carried out by a specialized medical service and certified by the competent authorities for its correct application and safety, results can be ready in less than 24 hours.

For those guests who´s state or country requests the PCR test, it can be provided at an additional cost, results can be ready in 24 hours.
Cancun: $110.00 USD per test   •   Cabo: $125.00 USD per test
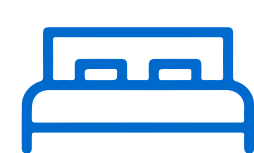

The results will be sent by email, and this will be used to present it on your return flight.

Most cases are negative, as long as the health protocols have been followed.

What if the test is positive

Cancun
In the case, a guest receives a positive test while on the property, they must stay for 14 days in a different hotel, assigned and paid by Solaris Hotels, including one-way transfer, accommodations, and breakfast. The guest will cover other food at a special agreed rate of $ 30.00 per day per person, taxes included, plus the departure shuttle.

Cabos
If a guest receives a positive test while on property, they must stay in the destination. Royal Solaris will support our clients with 10 days of stay in a different hotel and one way transfer to the hotel assigned. Food & Beverages will be covered by the guest and will have a 20% of discount. Payment to be made directly at the hotel.

If you wish, you can receive or call the best hospitals for medical follow-up.

We will continue to offer all services, until a second test indicates it is negative.
